

FIG. 1 is a schematic diagram of a system 10. The system includes a central circular component 12 with a smaller concentric circle 18. A vertical arrow 22 points upwards towards the center. Six rectangular blocks 26a through 26f are arranged around the central component. A large rectangular area 30 is on the right, containing a graph labeled "TEMPERATURE" with a triangular area 40 shaded with vertical lines. Various other labels like 24, 26c, 26d, 26e, 28, and 38 are present.
